(e) the action plan of Government to totally eradicate female foeticide?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) and (b) Total number of ongoing court/police cases in the country as on 03.05.2007 are 412. The number of cases pertaining to communication of sex of foetus in the country are 59.

(c) to (d) A Committee under the Chairmanship of Secretary (H&FW) has been constituted to consider necessary amendments/revision in the Pre-Conception and Pre-Natal Diagnostic Technique (PC&PNDT) Act to strengthen its implementation and related issues. The first meeting of the Committee was held on 30th April, 2007.

(e) The Action Plan of Government to tackle the issue of female foeticide includes a number of activities to strengthen its implementation as well as creating awareness on the issue. It is proposed to conduct medical audit of all the ultrasound clinics in the country to catch the violators of the Act. Number of activities through various print, TV medias are being undertaken. The Government has also launched "Save the Girl Child" campaign with the objective to lessen son preferency by highlighting the achievement of the girls. The National Inspection and Monitoring Committee (NIMC) is undertaking frequent visits to States/UTs to oversee the implementation of the Act in the districts. The National Support and Monitoring Cell is being strengthened by appointing a full time lawyer and a leader to monitor the implementation of the Act in vulnerable States of country.

Failure of NACO in AIDS control

†4072. SHRI PYARELAL KHANDELWAL:
SHRI ABU ASIM AZMI:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that in the absence of reliable data of the actual number of AIDS patients throughout the country, the alarming situation of India is being projected in the world by the foreign agencies;

†Original notice of the question was received in Hindi.

(b) if not, the details of such patients and the basis of reliability of these figures, State-wise;

(c) the details of people who have died of AIDS during the last five years, State-wise;

(d) whether it is also a fact that the organization "NACO" set up for the purpose has actually performed little work and has shown more work in the papers only; and

(e) if not, the details thereof, State-wise?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) No Sir, The annual sentinel surveillance, conducted to understand the trend and magnitude of HIV/AIDS, shows that India continues to have adult HIV prevalence of less than 1%.

(b) and (c) The State-wise details of reported AIDS cases and deaths is in Statement-I and II (*See* below).

(d) and (e) NACO has been successful in containing prevalence levels to less than 1% of the population as against sub-Saharan African countries where prevalence levels have gone upto 20% and more. Details of the achievements during the last three years of work done by NACO are in Statement-III, and State-wise achievements are in Statement-IV.
